Short Term Rest/Holiday/Rehabilitation Packages

Short-Term Livery:

We have availability for short term rest, holiday & rehabilitation packages which can be tailored totally to your individual requirements. Whether this be restricted movement, rehabilitation plans, schooling or pure rest and recovery in a quiet and peaceful setting, you can rest assured that your horse will receive 5 care, attention to detail and knowledge. With extensive references and a lifetime working with and schooling all types of horses from children's ponies to fit event horses, we are here to help and put you at ease.*

All short-term liveries are stabled either overnight or during the day, but do have the option of using our small individual shelter/grazing paddock as an alternative.

Our basic short-term livery does not include exercising (whether that be hand walking, lunging, hacking or schooling), however these services can be added on dependent on your requirements.

Short-Term Full Care –

7 Day full care including daily groom, feet picked out & oiled.

Airy 12 x 12 stables with automatic water drinkers & straw beds mucked out to a high standard. (If shavings are required, this can be arranged).

Adlib hay and straw

Individual turn out & access to all weather turn out in poor weather conditions.

Owner/Rider lives on site.

Daily updates and photos available.

Hard feed twice a day (owner to provide)

As above, tailored exercise plans can be arranged with Sophie McKinnon-Wood. Extensive references available.

£220/week.
